

million visitors directly from Brand USA.

I would like to see us do 2 million next year, but we are only going to do that if there is a way to get the word out around the world that we want visitors to the United States, so this is a great bill.

GUS BILIRAKIS, the gentleman from Florida that worked this bill, resolved all of the major issues. He negotiated, and this is now a voluntary program on the business side, not compulsory.

I don't think there are any real issues here, any barriers or bumps here, so I think we should have a unanimous vote on this. Therefore, I encourage all of my colleagues on both sides of the aisle to vote "yea" on this great pro-U.S.A. bill.

I yield back the balance of my time. Mr. FARR. Mr. Speaker, as co-chair of the Congressional Travel and Tourism Caucus, I am pleased to see the House of Representatives take up the Travel Promotion, Enhancement, and Modernization Act of 2014 today. I want to thank my caucus co-chair, Rep. Gus BILIRAKIS, for introducing this legislation to reauthorize Brand USA—our nation's Destination Marketing Organization or DMO.

This legislation will allow our country to continue its success in the international travel and tourism market, bringing greater numbers of international visitors to our shores. These travelers provide a substantial boost to our economy and produce many U.S. jobs. Did you know that international visitors coming to the United States are measured as an export? They are, and travel and tourism is the top export industry. Number One! Seventy million international visitors, spending over \$180 billion, have produced a trade surplus every year since 1989—and Brand USA is a crucial part of this. Brand USA's most recent annual report showed that FY13 saw an increase of 1.1 million visitors. That increase brings an additional \$3.4 billion in spending to our economy and supports over 50,000 new jobs.

International visitors are drawn to America's well known destinations like New York, Los Angeles, Orlando, and Chicago. And yet, it is our "amber waves of grain" and "purple mountain majesties" that attract travelers to all corners of our country. Our scenery sells us to the world and the upcoming 100th Anniversary of the National Park Service will highlight some of our most notable scenery.

Brand USA's efforts bring substantial benefits to our economy with a return on investment of more than 30 to 1. If only my investments did this well. This unbeatable value is done at no U.S. taxpayer expense. Funding for this program is provided by the international visitors who come to the United States.

Mr. Speaker, I like to point out that travel and tourism is in every state, every territory, and congressional district across this country, and I encourage all my colleagues to join Rep. BILIRAKIS and myself in supporting America's travel and tourism industry by voting aye for this bipartisan legislation.

Mrs. CHRISTENSEN. Mr. Speaker, I am pleased that today the House will consider H.R. 4450 and I rise in strong support of this legislation. I would like to thank Congressman BILIRAKIS for his leadership in bringing this bill to the House floor, and also the Tourism Caucus and co-sponsors for their support.

One of the most important amendments in H.R. 4450 includes the U.S. territories among the states and the District of Columbia whose benefits the Board of Directors of the Corporation for Travel Promotion plan must ensure. This provision is particularly important to my district—the U.S. Virgin Islands—where tourism is the primary economic activity. The Virgin Islands normally host approximately 2 million visitors a year, many of whom visit on cruise ships.

Tourism is a critical component of economic development in the U.S. Virgin Islands; especially with the closure of the oil refinery, HOVENSA, on St. Croix. The closure eliminated close to 1,200 refinery positions and raised our unemployment rate to the double digits. The ripple effect also included school closures, home foreclosures and a large number of residents leaving the island. As the Virgin Islands struggles to turn around its economy, it is critical that we continue to grow and sustain our tourism industry. Including the territories in the Corporation's promotion plan will significantly support these efforts. The territories are a major destination point for national and international travelers alike and should be a focal point for the Corporation.

H.R. 4450 is sponsored by more than a third of the House of Representatives, and almost equal numbers of Republicans and Democrats. Independent analysis by the Congressional Budget Office and the U.S. Travel Association concluded that the bill would reduce the federal deficit by \$231 million over a year and not cost taxpayers a dime, all while creating jobs and economic opportunities in communities across America.

I think it is a Win-Win situation for our nation's economy and I urge my colleagues to support H.R. 4450.

The SPEAKER pro tempore. The question is on the motion offered by the gentleman from Nebraska (Mr. TERRY) that the House suspend the rules and pass the bill, H.R. 4450, as amended.

The question was taken.

The SPEAKER pro tempore. In the opinion of the Chair, two-thirds being in the affirmative, the ayes have it.

Mr. MASSIE. Mr. Speaker, on that I demand the yeas and nays.

The yeas and nays were ordered.

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, further proceedings on this motion will be postponed.

The SPEAKER pro tempore. Pursuant to clause 12(a) of rule I, the Chair declares the House in recess for a period of less than 15 minutes.
